Senior Supper | 4:30-6pm

FAUQUIER HEALTH

Total Joint Replacement Class

Time: 11:00am

Register Today by completing the form below.

As a Joint Commission Accredited Center of Excellence in Joint Replacement, we take pride in our long history of excellence in joint replacement surgery and rehabilitation. You may feel anxious about undergoing joint replacement surgery or have concerns about the surgery itself, recovery time, and the many details to handle both before and after surgery. These feelings are normal. Know that we, as your healthcare team, are here to be your guides.

As part of the decision-making or pre-operative surgical process, we invite you to join us for our in-person Joint Replacement Classes. These classes will help you to learn more about our program and how we plan to help you reach your ultimate goal - improving the quality of your life by decreasing pain and increasing mobility.
