Family Birthing Center Tour

Time: 6:00pm

Join Fauquier Health's Family Birthing Center Team for a tour of the floor. Expecting parents are invited to tour the birthing unit so they can know what to expect during their stay. From the triage room, to the nurse's station, and to our birthing suites, we are excited to show you around the unit. Tours will take place every Monday at 6pm (please arrive to front desk no later than 5:50pm and our team will check you in).

If you would like to come in on a different day or time, call 540.316.4000 and we will do our best to provide you with a more convenient tour date.

Total Joint Replacement Class

Time: 11:00am

Register Today by completing the form below.

As a Joint Commission Accredited Center of Excellence in Joint Replacement, we take pride in our long history of excellence in joint replacement surgery and rehabilitation. You may feel anxious about undergoing joint replacement surgery or have concerns about the surgery itself, recovery time, and the many details to handle both before and after surgery. These feelings are normal. Know that we, as your healthcare team, are here to be your guides.

As part of the decision-making or pre-operative surgical process, we invite you to join us for our in-person Joint Replacement Classes. These classes will help you to learn more about our program and how we plan to help you reach your ultimate goal - improving the quality of your life by decreasing pain and increasing mobility.
