Family Birthing Center Tour

Time: 6:00pm

Join Fauquier Health's Family Birthing Center Team for a tour of the floor. Expecting parents are invited to tour the birthing unit so they can know what to expect during their stay. From the triage room, to the nurse's station, and to our birthing suites, we are excited to show you around the unit. Tours will take place every Monday at 6pm (please arrive to front desk no later than 5:50pm and our team will check you in).

If you would like to come in on a different day or time, call 540.316.4000 and we will do our best to provide you with a more convenient tour date.

Total Joint Replacement Class

Time: 11:00am

Register Today by completing the form below.

As a Joint Commission Accredited Center of Excellence in Joint Replacement, we take pride in our long history of excellence in joint replacement surgery and rehabilitation. You may feel anxious about undergoing joint replacement surgery or have concerns about the surgery itself, recovery time, and the many details to handle both before and after surgery. These feelings are normal. Know that we, as your healthcare team, are here to be your guides.

As part of the decision-making or pre-operative surgical process, we invite you to join us for our in-person Joint Replacement Classes. These classes will help you to learn more about our program and how we plan to help you reach your ultimate goal - improving the quality of your life by decreasing pain and increasing mobility.

Stroke Support Group

Time: 12:00pm

**FAUQUIER
HEALTH**
*Stroke Support
Group*

Join us for informational and supportive conversations about stroke recovery and all other factors that come into play for a family and community coming around a loved one who has experienced a stroke.

Meetings will cover an array of different topics:

- Speech Therapy
- Occupational Therapy
- Physical Therapy
- Neurology
- Psychology
- Stroke Response Team
- Mental Health
- Physical Health/ Exercises
- Local Resources
- Local Partnerships

Meeting Information:

- Chestnut Meeting Room
500 Hospital Drive Warrenton,
VA 20186
- Every 2nd Wednesday of the
Month at 12PM

Senior Supper at the Bistro on the Hill

Time: 4:30pm

We invite you to join us for our traditional Senior Supper Event on Thursdays 4:30-6:00pm! All are welcome. Seniors (55+) can enjoy a meal for just \$7.65. We invite you, your families, and friends to the Bistro on the Hill for a delicious meal
