At Fauquier Health, our goal is to deliver the highest quality healthcare available in the Northern Virginia region as we seek to make our communities healthier.

—Chad Melton, CEO

At **Fauquier Health**, we spent 2016 exploring ways to advance our mission of making the communities of the Northern Virginia region healthier. And by focusing our efforts on creating a place where people choose to come for healthcare, physicians want to practice and employees want to work, our legacy of caring for our communities is stronger than ever.

Inviting the best physicians into our communities and supporting them is one of the most important drivers of our ability to offer the best possible healthcare to the region. During the past year, Fauquier Health added **21 new physicians** in a number of service lines, including specialists in anesthesiology, cardiology, internal medicine, interventional radiology, neurology and wound care, as well as an additional **33 telehealth physicians** specializing in intensive medicine, neurology and radiology.

And while **delivering high quality patient care close to home** is the single most important contribution we make, there are many other ways we're making a positive impact in our communities.

In **creating excellent workplaces for our 1,127 employees**, we made **\$4,427,965 in capital improvements** in 2016, including an expansion of our intermediate care nursery, a telemetry upgrade and an expansion and renovation of our lab HVAC; and we managed and distributed an **annual payroll of \$75,949,151**.

We are proud to take a **leadership role in our communities** and are committed to delivering needed healthcare to everyone, regardless of their ability to pay. In fact, in 2016 we donated **more than \$6.9 million in healthcare services to those in need**.

We are also committed to **ensuring fiscal responsibility** – both at the hospital and in the community. In 2016, we paid a total of **\$2,776,034 in taxes**, as well as provided numerous sponsorships and donations to local organizations.

Heart Attack Education Coordinator Kim Shuler, RN, coaches a shopping patron through a hands-only CPR demonstration.

Fauquier's Dr. Kyle Song, DO, teaches Mary Walker Elementary School students the importance of hand washing.

Fauquier Health and Wellness Center offers community yoga classes.

SPONSORSHIPS AND DONATION

It was our pleasure to be able to support the following activities and organizations during the past year:

- American Cancer Society
- Fauquier Community Theatre
- Fauquier County Public Schools
- Fauquier County Special Olympics
- Fauquier Free Clinic
- First Night Warrenton
- Highland School
- Mental Health Association of Fauquier County
- Piedmont Environmental Council
- Warrenton Town Limits

Health screenings were provided to the community at events such as Warrenton Spring Festival, Marshall Fair, Piedmont Harvest Festival, Haymarket Day, Vint Hill Festival, Fauquier County Government Wellness & Benefit Fair, Art of Aging Expo, Mt. Zion at the Park and the Discovery Publications Home and Garden Show.

Community blood pressure screenings and a cholesterol lecture and screening were also given at the hospital.

In addition, Fauquier Health provided more than 1,000 hours of conference room and meeting space to local non-profit organizations.

LIFEPOINT HEALTH®

MAKING COMMUNITIES HEALTHIER

Charity and other uncompensated care includes hospital costs not covered by Medicaid reimbursements and supplemental payments, as well as charity care and bad debt. "Physician recruitment costs" include recruitment costs and support of new physicians' initial practice establishment in the community. Payroll includes consolidated salaries, wages, benefits and contract labor costs. "Capital investments" include facility expansions/renovations, equipment purchases, technology replacement, information technology additions/updates, and routine facility upkeep and maintenance. All references to "LifePoint," "LifePoint Health" or the "Company" used in this release refer to affiliates or subsidiaries of LifePoint Health, Inc.

Fauquier Health is part of LifePoint Health®, a leading healthcare company dedicated to Making Communities Healthier. Through its subsidiaries, it provides quality inpatient, outpatient and post-acute services close to home. LifePoint owns and operates community hospitals, regional health systems, physician practices, outpatient centers, and post-acute facilities in 22 states. It is the sole community healthcare provider in the majority of the non-urban communities it serves. More information about the company can be found at www.LifePointHealth.net.
